Wikipedia Article Microsite – Camera Cottingham

Project Title: Ratatouille the Broadway Musical

- The basis of my microsite will revolve around the well-known animated film; however, I would like to focus on turning it into the recently created Broadway Production from Tik Tok. The Wikipedia page can be used to fill in most of the information while the vaguer sections can be up to your discretion.

Pages

- The first page could be a could be set up like a playbill or for the musical (also have a summary) with different sections of the page linking to other pages (it would be fun for this page to play the song Remy the Ratatouille:
  - Cast/Characters/Production Crew
  - Sections/Song Breakdown
  - Photos
  - Ad Section (Optional)
  - Locations/Dates of showings
  - Link to Purchase Tickets (Optional)
